Anti-Slavery Office,
New York, 6 Dec. 1860.

Dear May,

The old papers for Webb, 120 in all, will go in the bundle to Boston this week, directed to you. Do you want to continue the advertisement for the numbers yet wanted? If so, you should make an exact record of the contents of this package and of the numbers you have from other sources, and rewrite the adv. accordingly.

Yours, in haste,

W. L. Garrison.
